Want to start your own business this summer? Be your own boss?

Then Summer Company is for you!

If you've got a winning idea for starting a new business and are a student who is not afraid hard work, you should consider applying to our 'Summer Company' program.

Summer Company is a great opportunity for enterprising young people who want to start and run their own summer businesses. The program provides hands-on business coaching and mentoring from local community business leaders who will work with you to make your Summer Company a reality.

You never know, one day your summer experience may lead to an exciting career

If your application is accepted, you will be eligible to receive an upfront award of up to \$1,500 to put toward start-up costs and up to \$1,500 upon successful completion of the program. Successful completion requires that you:

- implement your project substantially in accordance with the business plan
- participate in coaching and training
- meet with a local business mentor as specified
- provide documents related to the experience and business operations as required in the guidelines, and
- meet all program requirements for establishing and operating the business.

Where do I start?

You are invited to take advantage of business consulting services and resources available through our network of program providers. A list of program providers is available through our website at www.ontario.ca/summercompany. We strongly recommend that you get in touch with a program provider to assist you with your application.

Applying to Summer Company is a competitive process. Space is limited and the program reaches capacity quickly, so APPLY EARLY.

How do I apply for Summer Company?

To apply you must:

1. Fill out the application form online at: www.ontario.ca/summercompany.
2. Submit your application, together with your business plan to the program provider you select. A list is available on our website at www.ontario.ca/summercompany.

How does Summer Company Work?

Your application will be reviewed and evaluated by your local program provider and the local business mentoring group—successful business people who volunteer their time to assist you in making your summer experience a reality.

If your business plan is sound and meets the program’s criteria, you may qualify for the next step. Leading candidates will be invited for an interview with the program provider staff and local business mentors.

After the interview — if your application is recommended by the program provider and approved by the Ministry, you will be required to:

- sign an agreement with the Ministry outlining each party’s rights and responsibilities
- agree to comply with the program guidelines and implement the business substantially in accordance with the business plan included with your application
- show your business name registration and any required licensing documents to your program provider for verification
- open and operate a separate business bank account for the business
- operate your business on a full-time basis a minimum average of 35 hours a week for a minimum of 8 weeks for high school students or 12 weeks for post secondary students.
- meet with your local program provider/mentors every two weeks for a minimum of four structured meetings in an eight-week period to review and track your progress
- agree to one site visit by the program provider
- maintain a journal, including time allocations, outlining business tasks, operations and marketing activities
- maintain appropriate business records of income and expenditures including receipts, and
- participate in business training provided by the program provider.

To be eligible to receive the second Summer Company award of up to \$1,500 you must:

- have implemented your project substantially in accordance with your business plan and attended the exit interview at the end of the summer, and:
- submit a signed affirmation confirming your return to school
- in a professional and business-like manner submit to your program provider for review:
 - a) a cash flow record of your business operations
 - b) copies of all your bank statements
 - c) copies of all business receipts and invoices organized, totalled and reconciled to the cash flow and award allocation
 - d) a final report on your experience
 - e) satisfy the ministry and the program provider that you have fulfilled all program requirements

Tax Treatment of Award

The Summer Company grant is considered taxable under the Canada and Ontario Income Tax Acts. A T4A slip will be issued to the recipient of the award.

Term of Program

You may decide to continue your business while in school but, for Summer Company administration purposes, businesses end before Labour Day.

Notes:

1. The Ministry may, at its sole discretion, determine a particular business is inappropriate for the Summer Company program
2. Funds from the Summer Company award cannot be used for the purchase or lease of a vehicle, and
3. Failure to successfully complete the program will result in default as specified in the Letter of Agreement.
